

Treasury Department  
July 11. 1835

Sir:

Will you please inform me what  
progress you have made in devising a mode  
of applying the fusible alloy to Steam  
Engines.

I am, Very Respy.  
James Buchanan  
Secretary of the Treasury.

J. C. Booth, Esq.  
Melter & Refiner  
of the Mint.  
Philadelphia
